

PG's Kiddie College

Our Class News

During the month of April we will be discussing the importance of caring for our environment. Our children will learn about the value of our precious natural resources as well as pollution and recycling. Students will become young environmental scientists as we brainstorm ways to protect Mother Nature.

We are having our **Bring your Bike to School Day** on Thursday April 26th. Weather permitting children may bring their riding toys and **helmets** to ride in our parking lot. Please leave the riding toys by the curb next to the Church's red door.

Show -N-Tell Week

April 2nd - 6th

Theme: Your child may bring in something that he or she made by themselves!

Read All About It!!

APRIL

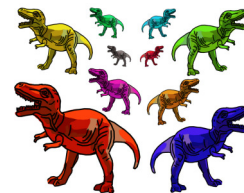

2018
