

Birthday Celebrations

Child's Name:

Birth Date:

Date For Party In School:

Number Of Children In Class:

SUGGESTIONS:

Party Napkins and Party Cups are favorites.

Drinks: One gallon or two large cans; fruit juices, chocolate or regular milk, fruit drinks, lemonade.

The children enjoy gold fish crackers, fresh fruits, pudding cups, Jell-O, graham cookies, animal crackers, ice cream cups, pretzels, vegetable platters and dip.

It's the party atmosphere that the children love; we try to avoid junk food for Happy Healthy Birthday Celebrations.

We discourage cake, cupcakes, candy or very sweet things.

Please do not bring goodie bags, however, if you wish to donate a children's book to our library - your child's name and birthday will be written in the book and it will remain forever (since the children can't).

We have a freezer and refrigerator available.
