Our Class News

PG's Kiddie College welcomes all of you to "Where the Joy of Learning Begins". We are looking forward to a fun and exciting year.

This year our staff includes Mrs. Gamze and Miss Sapphire as the Sr group teachers and Miss Gabby and Miss Brittany as the Jr group teachers.

Parents, please familiarize yourself with the Parent Guide which you should have received via email. It contains useful information about our policies and procedures.

Please remember to sign your child in upon arrival and dismissal each day.

If your child is staying for lunch; please consider packing a small ice pack with the lunch to maintain freshness, and also, please remember to include two napkins and utensils if necessary.

Please supply us with extra clothing for your child in a zip-lock bag with their name on it. This supply of clothing may remain at school for emergencies.

It is of utmost importance that we have on file the permission for emergency medical care and the medical form. If you have not yet sent these forms in please do so, as soon as possible. Thank you for your understanding. The medical form should be updated yearly, please ask for the form before your child's annual visit.

If your child is staying through rest, please supply your child with a crib size sheet and small blanket.

A calendar of important dates to remember will be distributed monthly, please observe and save for future reference.

Let's all work together in making arrival and dismissal times easier by parking in the lot rather than blocking the sidewalk and driveway, making access into the building easier. Also to ensure the safety of everyone, please do not leave siblings in the car during arrival and dismissal times.

Also, the gate to our playground should remain closed at all times. Help us out by making sure that it's locked when you come in and go out.
